OFFICIATING DELIVERY
GROUP LOWER MAINLAND

BC Hockey has maintained the structure of the Officiating Delivery Program Group Members within the Lower Mainland (Pacific Coast Amateur Hockey Association), to better serve the members' officiating development needs. This structure includes a Delivery Group Member focused on Female MHAs, in addition to the previously established regional roles. With some changes the people working various portfolios within the group, there have been minor adjustments to the distribution of MHAs within each Deliver Group Member's portfolio. Below is an updated list of this group and their corresponding areas of responsibility
