OFFICIATING DELIVERY  
GROUP LOWER MAINLAND

BC Hockey has enhanced the structure of the Officiating Delivery Program Group Members within the Lower Mainland (Pacific Coast Amateur Hockey Association) to better serve the members' officiating development needs with the addition of a lead responsible for the North Shore to Sea-To-Sky region. There have been minor adjustments to the distribution of MHAs within the remaining Delivery Group Member's portfolios. Below is an updated list of our leads and their corresponding areas of responsibility.
